Dressing Rooms:

Dressing rooms will be assigned. You will get your assignment when your dancer checks in. ONLY parent volunteers, instructors, and parents escorting dancers to the dressing room for drop off and pick up are allowed in dressing rooms. We will have instructors and parent volunteers to assist students in quick changes. There will also be tents on the side stage for those dancers with incredibly fast quick changes. Due to limited space we ask that parents do not hang out in the dressing areas.

Backstage/Side Stage

- ONLY Parent Volunteers and instructors are allowed to stay backstage.
- Room moms or a parent of preschool and primary classes (if the parent chooses to) are allowed to stay backstage. One parent of the dancer may walk their dancer backstage- parents may only stay backstage during their dancer's performance then must exit backstage- parents may not watch the entire recital from side stage or back stage.

PLEASE NOTE:

For the safety of your children, all students must remain in their assigned dressing rooms until a Backstage Volunteer escorts them where they need to be. Please send your dancer with quiet and clean activities, coloring books, crayons (NO MARKERS), etc. and snacks and water that won't stain his or her costume. In order to keep the dressing rooms organized, we recommend having your child's belongings in a tote or large plastic container labeled with the student's name. Caboodles or tackle boxes are great for hair and makeup supplies. Please label your student's costumes and shoes.
